DUNS NO: **DNQ8DWZJG8K3**
CAGE Code: **9BB51**

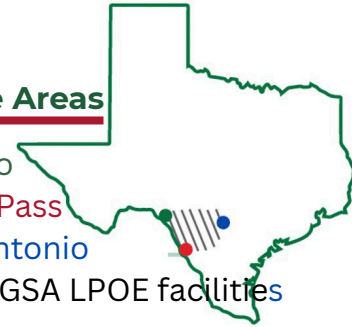

Quality Materials & Concrete

**Building a Sustainable Future,
One Project at a Time**

Service Areas

- Del Rio
- Eagle Pass
- San Antonio
- CBP / GSA LPOE facilities

Select Quality Materials and Concrete (SQMC), a division of Garibay Family Office, is a minority-owned, SAM-registered construction materials company dedicated to providing high-quality ready-mix concrete, aggregates, and composite reinforcement materials to the construction industry.

SQMC is an anchor materials supplier for the Puerto Verde Global Trade Bridge — a binational development at Eagle Pass with a new international commercial crossing — and has an established track record supplying federal border infrastructure prime contractors.

Strategic materials supplier for federal and border infrastructure projects.

Core Competencies

Ready-Mix Concrete

- EPD-certified low-carbon - concrete solutions
- Custom mix designs for any project specification
- USACE, CBP, and TxDOT specification compliance
- Fiber-enhanced mixes with composite admixture
- Timely, reliable delivery to job sites

Aggregates

- TxDOT-certified crushed stone & coarse aggregates
- Road base, sub-base, engineered fill
- Specialty gradations for all construction applications
- Consistent bulk supply — large federal projects
- Quality certs and documentation with every load

Composite Reinforcement Materials — Authorized Distributor (NAICS 423390 · 339999)

BFRP Rebar

- Straight bar #2-#8
- Bent bar & custom shapes
- Geogrid mesh
- ASTM D8505 · ACI 440.1R

Concrete Fiber

- MacroFiber puck admixture
- MicroFiber reinforcement
- Batch-plant ready
- ACI 318 · ASTM C1116

Utility Poles · Security · Marine

- Class 1 composite poles
- Bollards / anti-ram (ASTM F2656)
- Sheet pile / seawall
- FRP grating / stairs / platforms

Products

- Custom ready-mix concrete (3000-5000+ PSI)
- TxDOT-certified aggregates and materials
- Road base, sub-base, engineered fill
- Composite BFRP reinforcement solutions

NAICS Codes

- 327320 (Primary) – Ready-Mix Concrete
- 423390 – Construction Materials Wholesale
- 423320 – Stone & Aggregates
- 327999 / 339999 – Manufacturing
- 484220 – Freight & Delivery

Unique Advantages

Own-Fleet Delivery (NAICS 484220)

- Company-owned mixer trucks and aggregate fleet
- On-demand scheduling for active job sites
- Proven delivery capability in remote and border regions

Mobile Batch Plant

- On-site production for remote projects
- Reduced transportation costs and faster deployment

Minority-Owned Business (HUBZone Pending)

- Eligible for federal set-aside programs
- Located in Eagle Pass HUBZone
- Strong alignment with federal contracting goals

USACE & GSA COMPLIANT MATERIALS

- EPD-certified low-carbon concrete
- Supports federal sustainability requirements
